

Mirage®

The Mirage headset is stylish and unobtrusive, with a sculpted shape that fits perfectly behind either ear, eliminating the need for a headband. It is so light, you hardly know it's there. For added comfort, a receiver that swivels at a touch, rests lightly on the side of the ear. Convenient Quick Disconnect feature lets you walk away from your phone while still wearing your headset.

Mirage Key Features

- **Lightweight, convenient** over-the-ear design provides easy on/off flexibility.
- **Ergonomically sculpted** shape fits comfortably behind either ear.
- **Adjustable speaker** rests lightly against the ear.
- **Superior Sound.** SoundGuard® technology provides natural voice tone and removes loud tones, as well as occasional noises and crackles on the line.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **10-foot coil cord** and adjustable clothing clip for freedom of movement.
- **Available with Voice Tube or noise-canceling microphone:**

Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Noise-canceling—Filters out background sounds for heightened speech clarity.

- **Warranty: Two years** for unsurpassed durability.

Mirage headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone or PC.

Vista® M22 Audio Processor

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline™ audio to improve call quality in any environment, especially wideband VoIP.

DA45™ USB Audio Processor

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/ audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
